Module 5 The Competition Act, 2002 YT Link (Click Here)			
Topic / Section	**Attempt**	**Weightage**	**Remarks**
Section 45 – Penalty for furnishing information	**Dec 23**	**Q. 7(b) – 7 marks**	"Enumerate the Penalty for offences in relation to furnishing of information under the Competition Act, 2002."
	June 25	**Q. 7(b) – 7 marks**	"Discuss about the penalty imposable under section 45 of the Indian Competition Act, 2002

			for offences in relation to furnishing of information."
Anti-Competitive Agreements – Section 3	**June 25**	**Q. 1(x) – 2 marks**	**"Unfair competition under the Competition Act, 2002 means adoption of practices viz."** The options included: 1. Collusive price fixing 2. Allocation of markets 3. Discriminatory pricing This tests the student's understanding of **anti-competitive/horizontal practices**.
	Dec 25	**Q. 7(b) – 7 marks**	The examiner gave a **car manufacturer/dealer discount case**. The company: • prescribed discount limits; • instructed dealers not to give discounts beyond those limits; • monitored dealers; • imposed penalties; • threatened stoppage of supply; • claimed that the restrictions were merely to maintain discipline. The question asked whether the conduct violated the Competition Act. This is directly connected with **vertical agreements**, particularly: **Resale Price Maintenance** Your module specifically contains: **"resale price maintenance"** under vertical agreements. It deals with an agreement whereby the seller controls the resale price charged by the purchaser. So the December 2025 question was not a random Competition Act case. It was testing

			the **application of the vertical agreement provisions**. **DO NOT SKIP: Horizontal agreements + major vertical agreements + RPM.**
Abuse of Dominant Position – Section 4	**Dec 23**	**Q. 1(xi) – 2 marks**	Abuse of dominant position does not include which of the following? Options included: • Predatory pricing • Creating barriers to entry • Agreement to fix price • Imposing unfair conditions or price
	Dec 24	**Q. 6(b)(i) – 4 marks**	"What is understood by 'abuse of dominant position' as per the provisions of the Competition Act, 2002?"
Combinations	**June 24**	**Q. 1(x)**	Where an application for merger is submitted to the CCI, deemed approval may be presumed if..
	Dec 24	**Q. 1(x)**	For the purposes of the Competition Act, 2002, the turnover threshold for an individual company operating in India in combination is ₹_____ crores.
Important Definitions	**Dec 25**	**Q. 1(x)**	The question was a practical situation involving a person purchasing refrigerators for trading purposes and asked whether he was a **consumer under the Competition Act**. This directly tests the module's definition of: **"Consumer"** Your module gives a detailed definition covering purchases for: • resale; • commercial purpose; • personal use; • services; • deferred payment etc.

			Important definitions to prepare Don't try to memorise every definition equally. But you can **selectively prepare definitions**, rather than mugging up every word. 🔴 **Must do** • Consumer • Agreement • Cartel • Enterprise • Acquisition • Relevant market • Relevant geographic market • Relevant product market
Objectives of the Competition Act + Role of CCI	**June 26**	**Q. 8(a) – 7 marks**	"Explain the objectives and key provisions of the Competition Act, 2002. Also discuss the role of the Competition Commission of India (CCI) in preventing anti-competitive agreements and abuse of dominant position."

🔥 Priority 1	🔥 Priority 2	🔥 Priority 3	🔥 Priority 4
Section 45 – Penalty for furnishing information	**Anti-competitive Agreements** • Horizontal • Cartel • Price fixing • Market allocation • Bid rigging • Vertical agreements • Tie-in • Exclusive supply • Exclusive distribution • Refusal to deal • **Resale Price Maintenance**	**Abuse of Dominant Position** • unfair/discriminatory conditions • unfair/discriminatory price • predatory pricing • limitation of production/market • denial of market access • supplementary obligations • leveraging	**Combinations** • meaning • thresholds • CCI approval • AAEC • deemed approval • current provisions/figures

🔥 Priority 5 Important Definitions	🔥 Priority 6
• Consumer • Agreement • Cartel • Enterprise • Acquisition • Relevant Market	**Objectives + CCI's Duties/Powers**

Current Account + Capital Account Transactions	**Dec 25**	**7 marks Q.8(a)**	Define capital account transactions and provide three examples.
